BEST PRACTICE - 1

Title of the Practice:

- Welfare of the College Attached Hostel Students by extending financial assistance

Objectives of the practice:

- To encourage SC, ST and BC Students towards Higher Education by providing them boarding and lodging till the end of examinations during the academic year.

The Context:

- The College Attached Hostel for Men was established in the year 2001. To avoid the problems of Student Managed Hostel (SMH), the college applied for College Attached Hostel (CAH) which was sanctioned during the academic year 2000-2001.

The Practice

- Providing quality food in lunch and dinner.
- The College Management has been liberal in exempting room rent for the last 7 years.
- The wardens are voluntarily extending their services without honorarium in a way to facilitate the students with boarding for nine months apart from donations received from the College staff, retired staff and public.
- Donations collected Rs.47,950/- in cash, during April 2018 to March, 2019
- Environmental consciousness measures are being practised by using LPG instead of fire wood.
- A healthy educational environment was created to encourage students of hostel to participate in social service activities like Maanavata programmes, field work, plantation, formation of approach road to hostel, catering etc.,

Evidence of Success:

Year	Donations received in cash	Rent exempted by management	Contribution of Wardens (Service without honorarium)	Number of beneficiaries	Total benefitted amount	Benefitted amount per individual; student
2018-19	Rs. 47,950/-	Rs.2,04,000/-	48.000	68	2,99,950/-	Rs.4,411/-

Problems Encountered and Resources Required

- The sanction of Scholarship amount by the Government of Andhra Pradesh is inadequate to meet the needs of the students and maintain the hostel in respect of salaries for mess staff, electricity bill etc., and the sanction of the amount is released very late every year.
