OUR EMBLEM

Goddess Vasavi Kanyaka Parameswari adorned at the centre of the emblem is the source of inspiration of the college. Dr. Kalidindi Suryanarayana Raju, Chief Donor of the college epitomized as Sun who bestows health to mankind, Radiance emanates faculty. Book and Pen represents teaching and learning. Water and lotuses represents the students and their blooming minds respectively. The management and the Principal are portrayed as Rajahamsa, which can advocate the decorum and ambience of the Institution. Paired snakes symbolize Andhra Culture.

The college implanted its mission of offering "Qualitative Education" since it believes Education is the real embellishment of civilization as connoted by Bhartruhari in his holy words as "Vaagbhushnam Bhushnam".

The Management of this great institution chose this emblem designed by Dr. Rankireddy Rama Mohana Rao, which enshrines the lofty ideal : "Vaagbhushnam Bhushnam".

NATIONAL PRAYER

Vande Matharam, Vande Matharam

Sujalam Suphalam, Malayaja Seetalam

Sashyasyamala, Matharam Vande Matharam

Shubhra Jyotsna Pulakita Yamini

Phullku sumita drumadal Shobhini

Suhasini Sumadhur Bhashini

Vande Matharam, Vande Matharam

PLEDGE

"India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. I shall give my parents, teachers and all elders respect and treat every one with courtesy. To my country and my people, I pledge my devotion. In their well-being and prosperity alone lies my happiness."

ABOUT THE COLLEGE

Sri Vasavi Kanyaka Paremswari & Dr.Kalidindi Suryanarayana Raju Arts & Science College, a pioneering educational institution in A.P. was established on the august day of 4th August 1974 at Penugonda in west Godavari district with the highest guiding principle "Synoptic education to all". Behind this temple of learning strenuous efforts of several political and academic stalwarts have been there right from the foundation stone for the success and the growth of this institution in a big way. It is highly apposite in this connection to mention in brief the need to establish the college and above all the way in which the founding fathers, floundered to give a concrete shape to their long cherished dream of establishing a college for the sake of the all round development of the youth in and around Penugonda.

Prior to the founding of this Institution Parents of Penugonda, West Godavari district the rice bowl of Andhra Pradesh known for it's mighty ever flowing river, the Godavari, the food giver of India and unique cultural values had to send their children to far off places for Pursuing U.G and P.G Courses. Both Parents and Students used to face several ordeals like transportation charges and exorbitant tuition fees etc. So Parents relinquished the idea of sending their children for pursuance of further studies. The future of the Students of this historically and culturally famous penugonda town was at stake, when it was at this crucial juncture some of the leading lights, Pro bono public activists and above all Philanthropists joined their minds and might together and formed into an association called S.V.K.P. Arts & Science College Association and in Chorus the association made Sri Kotla Venkataramaiah as the founder president, keeping at the back of their minds his committed selfless meritorious services he rendered. Thus this college came in to existence and became an oasis to several students in and around West Godavari District. In this connection it is quite germane to mention especially the name of

the then local MLA Sri Vanka Satyanarayana a gentleman to the core in the field of malign politics, without whose combined contribution, the college would not have come to a reality. The college has been aptly named after the Presiding deity of Penugonda, Sri Vasavi Kanyaka Parameswari and the name of Dr.Kalidindi Suryanarayana Raju was added to the main name later as a token of gratitude for his huge generous donation, he gladly made. Thus this college acquired the name of S.V.K.P. & Dr.K.S. Raju Arts & Science College.

This college is situated on the right bank of the Nidadavole - Narsapuram Canal in Penugonda, West Godavari District. This college with the passage of the time became a mighty force to reckon in the fields of Science, Technology Arts and Commerce.

At the first go, the Government of Andhra Pradesh granted permission to degree courses in B. A., B. Sc., and B. Com., and Andhra University granted affiliation to the courses taking the cabinet resolutions of Government of Andhra Pradesh as the basis. Later as a part of Restructured Courses Electronics and Computer Sciences were introduced at U.G Level in the year 1984 and 1986 respectively. MCA and MBA were introduced during the years 1992 and 1993 respectively. M. Sc., Industrial Chemistry in 1995, M. A., Political Science, in 1998 M. Sc., Computer Science were introduced. In the year 2003 M. Sc., Mathematics, M. Sc., Organic Chemistry, in 2006 M. Sc., Biotechnology and M. Sc., Botany were introduced in order to make the students fit and suited to the fast moving modern changes that have been occurring in the field of education. Since 2012 the college has been organizing three UGC sponsored Certificate courses viz., 1) Communicative English, 2) Web Designing and 3) Talley.

Thus with the all round co-operation of the Management, the succeeding Principals, the Teaching and Non-Teaching Staff the Higher Education was brought to the very door steps of the rural folk. The strength at the beginning of the college was 300 only.

Now the strength of the college is around 2000 in which the strength of girl students is around 47%, 64 Teaching staff out of which 10 are Ph.D., holders, 13 are M.Phil holders and 60 Non-Teaching staff, all total 126 employees are working round the clock for the benefit and welfare of the students. So far 7 UGC MRPs have been completed.

Well equipped Museums for Botany and Zoology were arranged for the sake of all the science students. A seminar hall with A/c. facilities was also arranged for the academic deliberations. The college is owns 18 acres of land on which eye catching and awe-struck permanent buildings were constructed with cement roads leading to every corner of the college. Along with it a garden was also developed as an adding beauty to the college. A large play ground is earmarked to conduct several types of games and sports events. Tennis court, basket ball courts are added attractions. A strong and huge compound wall was built around the entire area.

With the advent of the newly established university in Godavari Districts, the affiliation for all UG courses has been transferred from Andhra University to Adikavi Nannaya University, Rajamahendravaram from the academic year 2012-13 and PG courses from 2016-17 admitted batch.

The college has been receiving grants from the University Grants Commission and Grant-in-Aid from the Government of Andhra Pradesh. Two Cycles of NAAC have been successfully completed and accredited the institution with grades B++ in 2005 and B in 2011 respectively. CBCS & Semester System in the Degree Courses have been introduced in the college from the academic year 2015-2016 according to the guidelines issued by the affiliating university and APSCHE. Internal Quality Assurance Cell has been constituted as per NAAC norms during the year 2005-2006. The Cell periodically assesses and ensures quality of Academic Programmes. The campus is well equipped with attached hostels for Men and Women separately. The college has Two NCC and Three NSS units. The

college has been recognised by UGC as "College with Potential for Excellence" for a period of 5 years from 01-4-2016 to 31-3-2021.

The management, the entire staff and the students with single minded concentration and devotion have been working with missionary zeal to achieve and attain the supreme goal for which the college was established "Vaghbhushanam Bhushanam" ... (Education is the only true – born ornament) the nub of our college.

VISION :

- ☞ To enrich and stimulate creativity in young minds.
- ☞ To nurture a spirit of tolerance in the youth of the multicultural society.
- ☞ To impart knowledge and skills through scientific temper.
- ☞ To promote value based Education.

MISSION :

- ☞ To empower the socially, economically and educationally marginalized sections of the rural society of the region.
- ☞ To augment a new generation of students for contributing to the future knowledge economy.
- ☞ To sensitize the students towards social awareness and gender equality.

AFFILIATION :

SVKP & Dr. K.S. Raju Arts & Science College, Penugonda is affiliated to Andhra University, Visakhapatnam and Adikavi Nannaya University, Rajamahendravaram. The Post Graduate Courses MBA and MCA are approved by AICTE, Ministry of Human Resources, New Delhi. The college has been receiving grants from University Grants Commission and Grant-in-Aid from the Government of Andhra Pradesh.

COURSES OFFERED BY THE INSTITUTION

POST GRADUATE COURSES

- ☞ M.C.A.
- ☞ M.B.A.
- ☞ M.Sc., Organic Chemistry
- ☞ M.Sc., Zoology
- ☞ M.Sc., Botany

Sri Gubbala Chandraiah Memorial Award for B.A. student, who scores the maximum marks in the University Examination.

Dr. Kalidindi Suryanarayana Raju Memorial Award for B.Sc., student, who scores the maximum marks in the University Examinations, constituted by his son Dr. K. Ramachandra Raju.

Sri Penmetsa Venkata Satyanarayana Raju Memorial Award for B.Com., student, who scores the maximum marks in the University Examinations, constituted by his son Dr. P. Satyanarayana Raju.

Sri Pithani Venkanna Memorial Award for M.B.A. Student, who scores the maximum marks in the University Examinations, constituted by his son Sri P. Suryanarayana and Sri P. Satyanarayana.

Divyasri Late Chodisetty Pitchayya Memorial Award for B.Sc. Mathematics male student who secures highest marks in first attempt in the University Examinations, constituted by his son Sri V.R. Chodiseti.

Mathrusri Chodiseti Satyanarayanamma Memorial Award for B.Sc. Mathematics female student who secures highest marks in First attempt in the University Examinations, constituted by her son Sri V.R. Chodiseti.

Sri Panja Venkata Rao Memorial Award for M.Sc., Zoology student who scores the maximum marks in the University Examinations, constituted by his son Sri P. Krishna Mohan.

Sri Ch.V. Ramanjaneyulu Memorial Award for M.Sc., Organic Chemistry student, who scores the maximum marks in the University Examinations, constituted by his grand son Dr. Ch. Durga Prasad.

SEMINAR HALL

A College without a Seminal Hall is said "A body without a Soul" because college means - hub of Academic deliberations. So the leading lights of the Management ruminated on the idea of the construction of a fully equipped multipurpose A/c Seminar Hall in order to strengthen their highest guiding principle "Vaagbhusahnam Bhushanam" the essence of ancient literature. Our Seminar hall stands for this wisdom. It is not at all over - egg the pudding if we say that our seminar hall is constructed and designed as per the national standards. The dimensions of the seminar hall speak of it. It accommodates 350 delegates at one go. The sound system pleases every listener and the A/c System gives a cool, balanced and relaxed ambience even for days together. The LCD Projector a product of Panasonic is an added attraction along with the above outstandingly qualitative equipment. Other facilities like V. Sat equipment PC system furniture enhanced the beauty of the seminar hall. The stage is decked out in a luminous way verily an imposing seminar hall. Noted speakers of

eminence showered several praises. People in this area often say that what is Convocation Hall to Andhra University is our Seminar Hall to our College. Round the clock, watch will be there to maintain A/c multipurpose Seminar Hall. It takes no time for authorities to arrange through the programmes come up holus-bolus, since the Seminar Hall is maintained in an apple-pie order.

ZOOLOGY MUSEUM

The present outstanding Zoology Museum in due to the outcome of hardwork of past 34 years. Most of the specimens in the museum are collected during various Zoological tours by staff and students of Zoology Dept. The museum is housed in a large Hall of 1000 sq.ft. with an attractive central row of glass show cases.

A large 6 feet long Naja-Naja male and Female, collected in the College campus during the year 1980 were presented in the museum was an additional attraction. One of the best and rare collection from local Hospital Dr. K.Koteswari Devi was "Siamese twins". Human foetus of different months are collected from local Hospitals and kept in glass show cases. A number of imported rare specimens like Euplectalla, Hyalonema, Chaeto pterus Basket starfish, Proto Pterus, Lepidosirin, Amia, Lepidiosteus, Acipencer, Polypterus, Sireni, Amblystoma, Phyrnosoma, Crotallus, Coral Snake, Helo Derma, Sturgeon, Opposum are only a few in the long list of rare specimens are present. These are crystal clear caroplastic. The mounts are permanent and permit objects viewing from all six sided. A number of articulated selection of different Vertebrates are also arranged in glass show cases. A number of Glycerine mounts, Alizarine preparations from fishes to mammals are present in the Museum. Models of fossiles and rare living animals belong to class Reptilia and a number of stuffed birds are beautifully kept in the glass show cases.

A number of charts and photographs of Famous Biologics are displayed. With so many exhibits the museum in well represented in all branches and it is craimed as one of the best in A.P.

BOTANY MUSEUM

The present outstanding status of Botany Museum is due to the outcome of strenuous work of the past 40 years. Botany Museum is housed in a hall of 525 sq.ft. with sophisticated tiled floor. The museum has an attractive central circular row of G.I. pipe with glass covered stages to display the plastic embedded specimens and fossils under illumination. The central row is surrounded by 4 rectangular and 3 semi circular rows each with three glass covered stages to keep the specimens mounted in glass jars. Various scientific models purchased from Agra are displayed in the glass covered stages and also on the walls. Portraits of veteran scientists and framed photographs of important plant are also displayed on the walls.

Photographs of important medicinal plants collected are framed and displayed on the top of the glass - covered stages. Bentham & Hookers classification which is widely followed in India is displayed on the Eastern wall where as the evolution of Plant Kingdom is displayed on the Western wall.

Most of the specimens in the Museum are collected during various Botanical tours by the staff and students of the Botany department. Banana fruit with viable seeds and Banana plantlets emerged from the seeds are special attraction to the Museum. Along with the traditional herbarium sheets, the Museum has photo herbarium for most of the local flora. Other important economic plant products like cereals, pulses, stem and leaf are displayed as a part of the academic curriculum. The various items in the Museum are categorized into different units in order to make it convenient to explain them to students as a part of academic curriculum.

The grasses of W.G. Dist were identified upto species level with authenticated identification from Botanical Survey of India, Kolkata which keep the doors open for students and Research Scholars to derive the benefit.

Academicians paid rich encomiums in the visitor's book regarding the Museum.
